What a wonderful Pink day it was!

Ahlia School, PTA and the Bahrain Cancer Society helped organize this charity event and we are so proud that we were able to donate BHD 330, which was handed over to Mr. Ahmed Noakhtha of the Bahrain Cancer Society.

Thanks to the Ahlia School parents for your contributions!

Blue color was our special color of the October, therefore we have prepared lots of blue fun-filled activities; blue art projects and also we all dressed in Blue. The classes were beautifully decorated with blue ribbons and balloons. This gave our preschoolers an opportunity to identify various items associated with the color and the entire experience strengthened

their learning in an enjoyable manner.
