Classroom News

Theme of the Month:

**“People Who Help
US & Transport”**

Dear Parents,
Welcome back from Spring Break ☺
Our theme this month will be **‘People Who Help Us’ & ‘Transport.’**

Each week we will talk about a new profession and what type of transportation they use. We will discuss how different professions help us in the community. For example, how police officers protect us, who to call for an emergency and car safety. We will make police badges, hats and cars to feel more like officers in class. We will then continue to learn about firefighters, doctors, builders and cashiers. We will look at the uniforms they wear, how they help us and learn new vocabulary regarding each profession for example emergency, dump truck, ambulance, siren, 999, ladder, uniform, stethoscope, cashier, digger, hose, ladder...
