My name is Ms. Nazia, leading as a KG-2 teacher and I am really glad to welcome you and your child to my classroom this year. I graduated from the University of Punjab with major in science and later did my diploma in early childhood Education from the University of Bahrain. I am also Montessori qualified. I have 18 years' experience working with pre-school children.

I would also like to introduce you to my assistant Maria, she is a professional and is very talented and your child are absolutely going to love her.

This is the year for our youngest learner to shine brightly in our classroom. It will be a year of magical wonder and amazing growth for your little stars.

KG2 is one of the most important time for children to expand their love of learning, their general knowledge, their ability to get along with others and their interest in reaching out to the world.

Our educational program is set to meet all that and provide a nurturing environment.

# INTRODUCTION LETTER

DEAR PARENTS,

Welcome to Ahlia School! After a tremendous summer, we are all ready to start a new school year that I expect to be full of learning and fun!

I am Mrs. Marie-Caroline Fine. Teaching is an absolute passion of mine. I will be teaching Pre-school KG1 and KG2 this school year 2019-2020. It is going to be a bright and amazing year with your children. We will speak, sing, play, watch, create and live in French!

To me, language is the best asset to socialize, discover and interact with people. I thought you might like to know a little bit more about me. I am from France. I have arrived in Bahrain in 2011. I start my 9th year as a teacher. I graduated from the French university. I have a Bachelor and a Master Degree in modern languages. I completed my post -graduate studies with the University of Nottingham and obtained a Post-Graduate Certificate in Education.

With Pre-school this year, we are going to discover French through speaking, singing and doing some role plays. My aim is to give your children confidence to express themselves in French.

I am looking forward to meeting you and your child!

Kind regards,

Marie-Caroline Fine
