INTRODUCTION LETTER

Dear Parents,

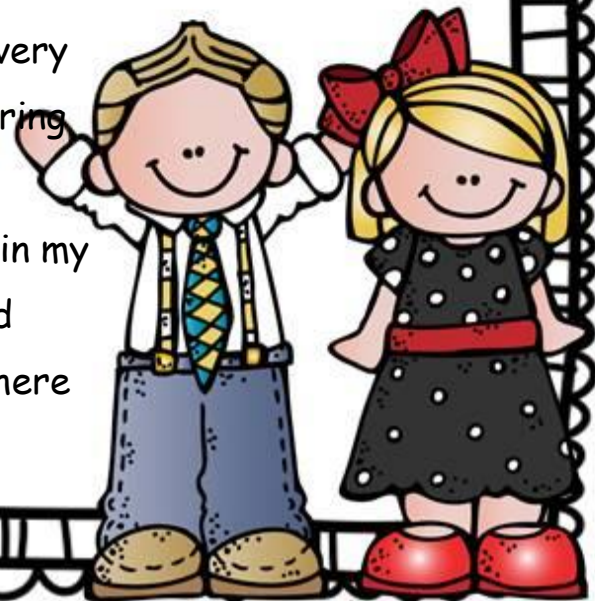

Welcome to the wonderful World of Kindergarten (KG2-C).

My name is **MS Fatima** and I am your child's home room Teacher. And I will be assisted by **Ms. Maria**. I am extremely excited about being a part of your child's education. I would like to take this time to tell you a little about myself both personally and professionally.

I am a life-long residence of Bahrain. My educational background is that I have bachelor degree in Economics from Karachi University. And I have diplomas in computer application, Teacher Training Education and in Montessori Teacher Training. I have seven years' experience in kindergarten, and this is my eighth year with your child in kindergarten. Teaching is my passion and I am very proud to be a member of the Aliya School.

I am going to spend my first week getting familiar with the daily routines of the class as well as getting to know your child. All of the students have their own unique gifts and talents and I have some ideas that I hope to bring into the classroom. It is my hope that the students benefit from this experience as much as I will.

Teaching your child is a privilege that I take very seriously. My mission is to provide a loving, caring and personal learning environment for each student in my classroom. As student entered in my classroom, they will feel welcome, respect and responsible and secure. It will be the atmosphere of warmth, support and genuine care.

Pre-school Sept 2019

INTRODUCTION LETTER

DEAR PARENTS,

Welcome to Ahlia School! After a tremendous summer, we are all ready to start a new school year that I expect to be full of learning and fun!

I am Mrs. Marie-Caroline Fine. Teaching is an absolute passion of mine. I will be teaching Pre-school KG1 and KG2 this school year 2019-2020. It is going to be a bright and amazing year with your children. We will speak, sing, play, watch, create and live in French!

To me, language is the best asset to socialize, discover and interact with people. I thought you might like to know a little bit more about me. I am from France. I have arrived in Bahrain in 2011. I start my 9th year as a teacher. I graduated from the French university. I have a Bachelor and a Master Degree in modern languages. I completed my post -graduate studies with the University of Nottingham and obtained a Post-Graduate Certificate in Education.

With Pre-school this year, we are going to discover French through speaking, singing and doing some role plays. My aim is to give your children confidence to express themselves in French.

I am looking forward to meeting you and your child!

Kind regards,

Marie-Caroline Fine
