INTRODUCTION LETTER

Dear Parents,

I would like to welcome you and your child to the Duck Class. I am very excited and honored to have your child in my class this year.

My name is Ms. Al Anoud and I shall be your child's class teacher. I am basically from Paksitan, but I have been born and brought up in Bahrain. I have a Diploma in Montessori Teachers Training and a Diploma in Teacher Skills specializing in Early Years Education. My formal training also includes Working with Students with Special Need Education. This will be my third year working at Ahlia Pre-School; I have 8+ year experience working with children.

My teaching assistant is Ms. Adeline (Barbz) who is experienced and caring.

I hope to make your child's learning experience a fun and exciting one as well as instill a love of learning that your child will carry throughout his\her life.

My teaching philosophy is that learning should be enjoyable, meaningful and least stressful environment for your child. It is my philosophy to teach the whole child. By teaching the whole child, I am addressing their social, emotional, physical, cognitive and sensory needs through a developmental approach. I value the individuality of each child as much as you do. It is my intent to develop a classroom of children who can critically think and ask meaningful questions for themselves.

INTRODUCTION LETTER

It is with these thoughts in mind that I actively involve my students in the learning process by providing my students to a comfortable classroom environment. For more effective learning I allow the child to explore different centers in his/her classroom i.e. home living, art, constructive, writing, reading etc.

My main aim is to settle the children in and make them feel comfortable and happy to be at Pre-school.

I believe that parent-teacher communication is necessary for maximum school success. Throughout the year I will communicate with parents through the dairy, notes, telephone calls, report cards and parent- teacher conferences. I encourage you to contact me if you have any questions or concerns. You may see me after 1:00 pm. It will be appreciated if you inform me a day in advance to fix the meeting.

As our school encourage healthy eating habits please do not send fried foods, sweets, fizzy drinks, chewing gum and chocolates to school. We adhere to a strict NO NUT policy. Please label all your child's clothes, shoes, lunch box, water bottle and spare clothing as many children have the same items. For your child's safety, please do not send them to school with necklaces or high heeled shoes (e.g. dress-up shoes). I do not encourage children to bring toys into school as they may get lost or damaged.

To help minimize the spread of germs, we would ask that you please do not send your child to school sick i.e. if your child has a fever or green nose discharge. The best place for any sick child is at home where they are most comfortable.

I look forward to meeting you and working together to take your children on a fun, creative educational experience this new academic.

Thank you.

Pre-school Sept 2019

INTRODUCTION LETTER

DEAR PARENTS,

Welcome to Ahlia School! After a tremendous summer, we are all ready to start a new school year that I expect to be full of learning and fun!

I am Mrs. Marie-Caroline Fine. Teaching is an absolute passion of mine. I will be teaching Pre-school KG1 and KG2 this school year 2019-2020. It is going to be a bright and amazing year with your children. We will speak, sing, play, watch, create and live in French!

To me, language is the best asset to socialize, discover and interact with people. I thought you might like to know a little bit more about me. I am from France. I have arrived in Bahrain in 2011. I start my 9th year as a teacher. I graduated from the French university. I have a Bachelor and a Master Degree in modern languages. I completed my post -graduate studies with the University of Nottingham and obtained a Post-Graduate Certificate in Education.

With Pre-school this year, we are going to discover French through speaking, singing and doing some role plays. My aim is to give your children confidence to express themselves in French.

I am looking forward to meeting you and your child!

Kind regards,

Marie-Caroline Fine
