INTRODUCTION LETTER

Dear Parents,

I would like to take this opportunity to welcome you and your child to the Butterfly Class. My name is Ms. Sara Shabib and I will be your child's teacher this year.

About Me

My career in Early Years Education started in 2013. I have always loved children and the moment I stepped into a classroom and got my first job in Early Years, I knew that this is the profession I want to pursue. My mission as a teacher is to help children discover the joy of learning, and to help each child develop a strong belief in his or her own ability. I have studied the Montessori Philosophy and I am also First Aid Qualified.

I believe that each child is unique and will learn best through purposeful play in a well prepared environment. I will incorporate aspects from the Montessori philosophy which is a child-centered educational approach that encourages to focus on the individual interests and needs of each child.

Things to Note:

- ⌚ For your child's safety please do not send them to school with high-heeled shoes (e.g: Dress Up Shoes)
- ⌚ I do not encourage children to bring toys into school as they get lost or damaged.
- ⌚ Please pack delicious healthy food for your child (Check out Healthy Eating Chart). Also please be sure that your child has a nutritional breakfast as our snack time will be at 9:30am.
- ⌚ At Ahlia School we adhere to a strict NO NUT policy.
- ⌚ To help minimize the spread of germs, I would kindly ask that you do not send you child to school sick or with a fever. The best place for any sick child is at home where they are most comfortable.
