

KG1 Classroom Newsletter June 2017

Dear Parents,

You are our partners in ensuring the success of yet another academic year. We appreciate your support and cooperation and we would like to say what a pleasure it has been working with your children and I wish you all the best of luck for the future.

Thank you.

Dear KG1 friends and families,

Welcome to the last few weeks of this school year, how quickly the time has passed! As the 2016-2017 academic year is coming to an end, we will take this opportunity to express our pride of all the things we have accomplished together so far. It has been an extremely pleasant year here at Ahlia Preschool. We are happy that the children have made friends and formed great relationships with their teachers over the year. We will miss all of our kids and we promise to cherish and hold close to our hearts the happy memories of the good times that we have spent together.
