Welcome back from what we hope was a fun and relaxing Spring Break!  
The preschoolers will be learning all about weather and the four seasons during the month of April.

We will be discussing the many changes that occur in nature during different seasons. What causes thunder, the different types of clouds and why it rains are just a few of the topics we will learn about.

**Go Green Earth Week**  
**22<sup>nd</sup> – 26<sup>th</sup> April**

Together, we can make a difference!
