Classroom News

Dear Parents,

The children are settling nicely into the classroom routine. They are becoming comfortable with the class setting and are enjoying our many activities. We will start our theme, 'All About Me' for the month of October. We will talk and learn about our families, parts of our bodies, emotions (happy, sad, angry, scared, and surprised) and five senses through songs, pictures and group activities.

We are following the Jolly Phonics scheme which concentrates on phonetic sound of letters, and the vocabulary. For example; 's, s, s' for snake. We will learn a new letter every week. During the last week of the month will revise all the letters learned in the month.

Phonic sounds this month are:

s, a, t ☺
