Favourite Farm  
Animals Dress  
up Day

## Theme of the Month:

"Old  
McDonald Had  
A Farm"

## Classroom News

Welcome Back to Ahlia School and I would like to wish you a Happy and Prosperous New Year.

This month we will be discussing and learning about the various animals that can be found on a farm. We will be learning the names and the special features of the farm animals (i.e. how many legs does a cow have? What colour is a sheep?) and the noises they make, so be prepared for some mooing, neighing, quacking and baaing! We will also study the various types of animals, noting their similarities and differences (i.e. Which animal has a pattern? Which animal is taller?).
